CEO Grohe AG

Dear customers,

Modern life can be stressful and we all welcome a place to relax and unwind, but you cannot always take time out to visit a spa for some well-deserved pampering. This is why we have created a world of products designed to bring the spa experience to your bathroom. GROHE SPA is a collection of the most luxurious and innovative spa products that create a world of relaxation in the comfort of your own home.

Whether your inspiration is the opulence of a Turkish hamman, a Japanese onsen bathing experience or the cool lines of a Scandinavian sauna, GROHE SPA has a range of exceptional products to help you create a tailor-made relaxation space at home.

For the ultimate shower experience, GROHE AquaSymphony creates a wellness zone, which harmoniously combines water, music and lighting to inspire all the senses. Its sleek, spacious design houses innovative technology that allows you to select and adjust water flow to match your mood – from gentle, warm rain spray to a waterfall cascade or pulsating Bokoma Spray to ease aching muscles.

The GROHE Sensia Arena award-winning shower toilet gives you the finest experience in personal hygiene and cleanliness. It uses fresh natural water to gently clean your skin, with temperature and pressure level controls included to ensure comfort. An integrated air dryer provides the final touch, while a nightlight makes it easy to use at any time. This elegant and innovative design delivers comfort and care to one of your most private bathroom moments.

Beautiful design plays an important role in creating a relaxing ambience, which is why GROHE has introduced the GROHE SPA Colours Collection, giving you a stunning range of colours and finishes with which to complete your bathroom aesthetic.

Combining skilled craftsmanship, elegant design and clever technology, the GROHE SPA range allows you to create a home spa experience delivering the relaxing and invigorating properties of water in an exquisite space precisely tailored to your personal taste and needs.

Enter the world of GROHE SPA, and create your own personal sanctuary devoted to indulgence and inspired by your imagination.

QUALITY, TECHNOLOGY, SUSTAINABILITY AND AWARD-WINNING DESIGN

With our international award-winning team of in-house designers, we aim to create water enjoyment experiences. Water is one of the most precious resources our planet has to offer. We are incredibly fortunate that nature has given us so many examples from which to draw inspiration, from waterfalls to rain. We use this inspiration along with a careful understanding of our customers to create our award-winning designs.

We believe great design goes beyond form and function. We aim to create strong emotional connections in the hearts of our customers, through design and experience. We are always conscious of who we are designing for and the total experience we intend to create. We revel in our ability to inspire and excite the world, challenge and break paradigms, influence and form the future.
